## Caroling Rehearsal

Bring your music this Saturday, so that we can rehearse from 11:45 AM to 1:30 PM, right after our regular PCC rehearsal. We will stay in the Music Room or move to the courtyard.

## Mari's Memo:

By the time we meet Saturday, I hope we will have the music for our Dec. 4th concert, but as of today, we don't.

So until then, take advantage of any and all available time to focus on our Nov 22nd and Dec 15th concerts so that we can feel comfortable taking the necessary time required to master the Bocelli repertoire. This is an incredible experience which will require a total commitment from each one of us.

*Have a great week, Mari*
